Good morning Heather – I'll get these people access this morning.

Cheers!

Bill

Bill,

As we begin to coordinate our design efforts, can you please get the following people access to the One Drive?

Joe Lanni [jlanni@gpdgroup.com](mailto:jlanni@gpdgroup.com)  
Tim Ledrich [tledrich@gpdgroup.com](mailto:tledrich@gpdgroup.com)  
Jessica Looper [jlooper@gpdgroup.com](mailto:jlooper@gpdgroup.com)

Also, Matt Lascola from GPD will be contacting you to get additional information that may not be available on One Drive (large drawing files/mapping). For any request to Jacobs, GPD will copy both Mary Beth and myself.

Thank you!

**Subject:** [External]Gorge Dam - file setup and management

Good morning Heather,

The GPD team is working to setup the Gorge Dam project files and have a few setup questions and requests.

1. Is there a particular requirement/preference for this project drawing template? Do we need to use AEB or CSO template, or is GPD standard acceptable?
2. GPD typically using CAD Civil 3D version 2020. Will COA require/prefer version 2018?
3. Is there a specific project folder structure we should use (i.e. AEB or CSO), or is GPD folder structure acceptable?
4. GPD is establishing a Gorge Dam project folder on our GPD SharePoint for external file sharing and collaboration. Will deliverables to COA through this platform be acceptable, or will all deliverables need to go through the Akron PMIS?
5. We would like to Sync files from both B&N and Jacobs SharePoint sites. Please request access permission for the following GPD team members:
  - a. Joe Lanni [jlanni@gpdgroup.com](mailto:jlanni@gpdgroup.com)
  - b. Tim Ledrich [tletrich@gpdgroup.com](mailto:tletrich@gpdgroup.com)
  - c. Jessica Looper [jlooper@gpdgroup.com](mailto:jlooper@gpdgroup.com)
6. Lastly, we'll need to retrieve various drawing/mapping files (i.e., CAD and shapefiles) from Jacobs Engineering, which I don't believe are accessible on their SharePoint. We would like to contact Bill Andrae and provide him or a staff member access to GPD SharePoint for upload of the current project base mapping files. Please notify Bill with request from COA to provide the electronic files to GPD.

Thanks in advance for your help on these items.

Regards,
